

ASSISTANT TEACHING

NCMT is pleased to add an additional feature to our program: Assistant Teaching opportunities! Assistant Teaching (AT) is open to students currently enrolled in either the Horsemanship or the Equine Care program. This program is optional. Troopers may sign up for assistant teaching time slots at times other than during their assigned barn day shifts or lesson day shifts.

To be eligible to participate, students must have a rank of 2nd Lieutenant or above. Students will be asked to sign up for 4 consecutive weeks in order to keep consistency for riders. In addition to auditing lessons, Assistant Teachers may be asked to help tack, set jumps or poles, help lead to ring, or be a leader in the ring.

If you have any questions, please contact the office at 203.966.0634 or e-mail Lisa at ncmtLT@aol.com. If interested, Troopers should sign up with Lori at ncmtLR@aol.com or Lisa at ncmtLT@aol.com.
