

Dear Members,

We just want to remind everyone to review the new Make Up Lesson Policy. Once a week riders can receive **one** make up per semester. Twice a week riders can receive **two** make ups per semester. To qualify for a make up lesson, the cancellation must be received **24 hours in advance** via phone, **48 hours via e-mail**.

There are pre- scheduled Make Up days **only** at the end of each semester. This schedule can be found on the NCMT Calendar on the website under the Program Information link. Typically, during make-up lesson week, the Make-Up schedule for Lessons and Barn Day will mirror the regular program lesson/barn day schedule.

We understand that some members may travel during school breaks. We will try to schedule a make up during the semester **if** space becomes available.

If you would like to review the Make Up Policy or Make Up schedule, please go to [newcanaanmountedtroop.org](http://newcanaanmountedtroop.org) click on Program Information then click the links to the program calendar and/or the program registration documents.

Thank you,  
The Staff at New Canaan Mounted Troop.
